Interdepartmental Memorandum

Date: July 17, 2002
To: Distribution List
From: Carlton McGee, Business Administrator *C. McGee*
Subject: Local 245 Agreement(Attached)

As you probably are aware, Jersey City Public Employees, Inc. Local 245 and the City have recently signed off on a new labor agreement that spans July 1, 2002 through June 30, 2005. The following represents the changes in the new agreement as compared to the agreement which ended June 30, 2001.

1. **Article 5, Section B Retirement and Terminal Leave**
Additional language was incorporated into the agreement to give a more specific meaning to the notion of retirement. This language should avoid any misinterpretations in the future.
2. **Article 8 Personal Days**
A new section "D" is included, which mandates that effective January 1, 2003 all personal days must be taken as whole work days - NO HALF DAYS.
3. **Article 11 Bereavement Leave**
Effective July 1, 2003 amended language will provide four(4) working days off from the day of death for immediate family; formerly, the language allowed up to five(5) working days from the day up to and including the day after the funeral.
4. **Article 33 - Section C Miscellaneous**
Additional language added to emphasize management's right to require sufficient written documentation to be provided by the recipient of this benefit.

5. **Article 33 - Section C - Miscellaneous**

New language has been added to specify that although employees accrue time based on the total hours they are scheduled to work by virtue of their position, they are always "excepted" by the length of their daily work schedule.

As an example, currently a mechanic is scheduled to work 2088 hours annually. Assuming this employee is scheduled to work 5 days a week at 8 hours a day and is entitled to 20 days annual leave, he receives 160 hours annual leave (20 days X 8 hours). However, if this same employee moved to a 4 day a week 10 hour a day schedule, he would still work 2088 hours annual and still receive 160 hours annual leave. However, he would be excepted for each annual leave day at 10 hours per day, meaning he would actually be entitled to 16 annual leave days at 10 hours per day.

On the surface, this might appear to be a change. It isn't. Consider the fact that when the employee goes to the 10 hour week day, he is only scheduled to work approximately 208 days annually as opposed to approximately 261 days at the 8 hour day.

6. **Article 29 Wages**

\$2200 Bonus Paid on 7/11/02

\$1000 Raise Effective 9/1/02

\$1300 Raise Effective 7/1/03

\$1300 Raise Effective 7/1/04

Please contact either myself or Roger Grego, Assistant Business Administrator at X6540 if you have any questions related to this agreement.
